## FEDERAL BUREAU OF INVESTIGATION

Date of entry 10/13/2015

BARRY WALLS was telephonically contacted to follow up on information concerning 1208 funds issued to him in Afghanistan during his 2009-10 deployment. WALLS provided the following information:

DERIC HARPER did pick up 1208 funds for the team at Bagram. Prior to picking up the funds, WALLS made coordination with the finance office to allow HARPER to pick up the funds and bring them back to WALLS. WALLS could not recall how many times HARPER had picked up 1208 money but knew that it was more than once. When HARPER returned to their base, HARPER signed over the 1208 funds to WALLS and WALLS notified finance that he had received the funds. WALLS believed that the exchange was documented so as to clear HARPER of the funds and shift the accountability to WALLS.

As to the original receipts used with the 1208, WALLS scanned the original receipts into the computer system as part of the LF-44. The original receipts were maintained throughout the deployment until the last couple of weeks when WALLS destroyed all of the receipts at one time by shredding and/or burning them. The receipts were destroyed as they were no longer needed and had been transferred to the electronic system.
